Pray for the Impact Conference

For over a year and a half now we have been part of a committee planning the biannual Impact Conference that WGM puts on--Mark has chaired this committee. We originally planned to host this international conference here in Hungary, but due to Covid we had to pivot and the conference will be held

virtually.

This virtual conference is next week (June 21-25). We are excited for what our international panel of speakers has to share and trust that it will challenge us as a mission to walk more closely with Jesus and help us as we seek to effectively minister in our current global moment. But this won't happen without God showing up, so we ask for your prayers:

- Pray for all the last minute details to come together.
- Pray for the technology to work.
- Pray that people would be able to engage even though it isn't in person.
- Pray that as we host the conference in 3 languages (English, Spanish, and Arabic) that the awkwardness this presents would be overcome by the greater opportunity to have conversations that matter.
- Pray for us and the team running the conference as we run the conference next week and deal with issues we may not have anticipated.
- Most Importantly, pray that God would move and this conference would serve to advance his Kingdom.

Additional Prayer Request

- Eszti and her sister were recently interviewed by a Hungarian TV station about raising and discipling kids and about the kids club. This interview airs this week, please pray that God would use it.

Change In HMA Plans

We were scheduled to return to the US this summer for a year of Homeland Ministry Assignment. However, with the realities of Covid and our oldest son's heart condition

we have prayed a lot about what the wisest move is for our family. After consulting many doctors, our bosses, co-workers, and family, it seemed clear that the best option for the time being is to remain in Hungary.
During a prayer meeting, we were reminded of Paul's words at the end of 1 Corinthians. In 16:7-9 he is discussing his plans to travel to Corinth and writes this, "I do not want to see you now just in passing, for I hope to spend some time with you if the Lord permits. But I will stay in Ephesus until Pentecost, for a wide open door for effective work has opened to me, and there are many adversaries."
We believe that God has opened a door for effective ministry here in Hungary at this time! While we are looking forward to spending some time with all of you back in the States, we are confident that God has us here for the time being and we are excited for all that he is going to do. But just as Paul had adversaries, there are adversaries here and we ask that you would pray for us as we navigate this reality.

As we know more, we will update you on our plans for HMA and look forward to scheduling times to be with you.
