This directory contains a lot of awesome information!

Listings of families and individuals show us that people are the heart of the church. Liberty Chapel is a good church because it consists of good people. You matter to God, and you matter to this church. Thank you for being part of Liberty Chapel. I pray for your continued spiritual growth in 2014.

Willing servants drive Liberty Chapel. As I look at the variety of service projects, ministry teams, and committees, I am grateful for the willing servants who make this church work. Thank you for serving Jesus.

Discipleship small groups feed Liberty Chapel. The word of God is taught in all of our classes and small groups, and the application of his word to our daily lives is sought and put into practice.

Missionaries provide outreach from Liberty Chapel from Ohio to China and many places in between, as our church shares the love of Jesus Christ. We pray for our members who serve our country through their military service around the world.

God is the Lord of the entire church and of Liberty Chapel. God, the Father, has an eternal plan for the church which includes a specific mission for Liberty Chapel. God, the Son, died for the church and sanctified it with his blood, and he is the chief cornerstone of Liberty Chapel. God, the Holy Spirit, gifts the church for service and gives vision Liberty Chapel for its spiritual life and community and world service.

To God be the glory!

Pastor Brad

2016 is going to be a great year for Liberty Chapel's Youth Fellowship. Youth Fellowship consists of the Jr. High group, grades 7-8, and the Sr. High group, grades 9-12. We are making some changes this year, and I am beyond excited as we roll them out. I feel like these changes will make a lasting impact on our ministry and in the lives of many students. We want all students who come through YF to become disciples of Jesus Christ, and I believe these changes will help us accomplish this goal.

We are making steps to make the youth room more welcoming. The first step of our remodel, repainting the room, was finished in January. The second step will be to redecorate the room, which should be done by summer 2016. I hope and pray that this helps students to feel more comfortable while they are here and to want to invite their friends. In 2016, we will also be launching a student leadership team and a discipleship program alongside it. This will help us change from a ministry *to* teenagers to a ministry *by* teenagers. I believe this change will help our students to own their faith and to take ownership of the ministry. We have several other changes planned for 2016, but you will just have to wait and see what those are. I am excited about the direction that our student ministries are headed and would love for you to be in prayer for all of our students and leaders.

In Christ,
Pastor Tom

Liberty Chapel Fair Stand *Guidelines for Payment of Mission Trips and Outreach Programs*

As of the October 14, 2008 meeting and after consultation with the Finance Chairperson, the following guidelines have been set up for payment of funds received through the Liberty Chapel Fair Food Stand and approved by the full committee. These guidelines will be reviewed annually. Payment will be considered for any Liberty Chapel Administrative Council approved mission trip to the leader of such group arranging for the trip. Payment will be made for all members of the trip, members and non-members of Liberty Chapel alike. A written list of those participating in the trip, where the trip is to and the purpose of the trip should be brought to our attention. Payment will also be considered to outreach programs, such as 'Project: We Care', and 'Caring Cupboard', as examples. Programs that are brought to our attention will be decided by a majority of committee members. Payment will also be made on a yearly basis to the Men's group and the Women's group in recognition of the help and participation they provide.

Payments will be as follows:

Mission trip members - \$100/person per trip, \$1,000 maximum per trip (or as needed and funds permitting)

Outreach Programs - \$100 per program (or as needed and funds permitting)

Men's Group - \$500 per year,

Women's Group - \$500 per year.
