Un dibujo para ti A drawing for you

Hello dear sponsor, it is a pleasure to greet you in the name of our Lord. This is Nissi, Juan Jose's teacher. I want to tell you that the boy is in very good health. Not long ago he started swimming classes in the afternoons. Also, after doing his homework he goes out to ride bicycle with his brother Samuel. He likes mathematics very much. He already knows how to measure with the measuring tape and to read the hour in the analog clock. Thank you for the present you sent him which was a very beautiful outfit. Genesis 12:2.
