"Praise be to the God and Father of our Lord Jesus Christ, who has blessed us in the heavenly realms with every spiritual blessing in Christ."  
Ephesians 1:3

Greetings from Kentucky! It is hard to believe that it is already spring and summer is right around the corner. We are so grateful for you and how you have continued to carry us.

Our hearts have been aching with what is going on in Ukraine and wishing we were in Hungary to be able to help with the refugee crisis that has hit our country. But we are thankful that through the generosity of many of you and others, we have been apart of getting financial resources to those on the ground we trust and have worked with who are helping with the refugees. WGM's response has provided resources to our church in Hungary which is actively meeting needs in the immediate community and all of the way into Ukraine, to Eszti's mom prayer group that is hosting three Ukrainian refugee families, to OneMission Society who we worked hand in hand with during the 2015 refugee crisis, and to WGM church partners in southern Ukraine who Mark was with in 2008. If you would like to give you can do so [here](#).

Despite our desire to be part of the refugee work, we are finding this time in the US fruitful. We have loved getting to connect with many of you and hope to connect with even more of you. If we haven't connected yet please

reach out so we can set up a time. We are based out of Wilmore, KY where Eszti is working on her master's degree in mental health counseling at Asbury Theological Seminary. While Eszti's classes are challenging and intense, she is finding them very helpful and is excited about how the knowledge and skills she is gaining will help with the work in Hungary.

Our goal is to get back to Hungary by October, but we need your help to make that happen. Prayerfully consider if God would have you join the team through ongoing financial support. Or consider introducing us to your friends, small group, or church. You are our best advocates and we can't thank you enough. It is a joy to serve with you!

### **Family Update**

We are thrilled to announce that our family is expecting the arrival of our little girl this August. The boys are anxiously waiting for their little sister and are already preparing to be great big brothers.

While the transition to American school and life in America was rocky at times, the boys are now all doing very well. Sammy is enjoying 1st grade and Nathan likes his afternoons at preschool. Meanwhile, Jakob keeps us busy at home. All three boys have made friends in our neighborhood and love getting to be outside playing, and it is a special gift that Sammy and Nathan are getting to play soccer. Thank you for your continued prayers for our family!
