The

Landerholms

We got to be with Mark's whole family for the first time in 5 years!

Just over 6 months have passed since we returned to the US. These have been full months. Here are some of the highlights:

- It has been a joy to travel and reconnect with/meet many of you.
- Eszti has made considerable progress in her counseling degree and is already seeing ways to apply what she has learned.
- The two older boys finished 1st grade and preschool and made great strides learning in English.
- We are excitedly preparing for the arrival of our little girl in August.
- We've continued to work with helping get funds in capable hands to help with the refugee crisis in Hungary and the Czech Republic resulting from the Ukrainian War.

"Many are the plans in a person's heart,  
but it is the Lord's purpose that prevails."

-Proverbs 19:21

### **Our Plan and Need**

Our plan is still to return to Hungary at the beginning of October. However, for that to happen we need you. God has faithfully provided for us these past 10 years through your generosity, and he still is! With our growing family, the loss of some supporters, and the reality of inflation, we still have a 18% of our monthly needs to raise. **Would you prayerfully consider if God would have you be part. of meeting that 18% by committing to monthly, quarterly, or annual support?** We'd love to schedule a time to talk if you have any questions.
