Liberty Center Youth Newsletter

January 2023
Volume 1, Issue 1

Greetings to all Liberty Chapel Youth and Parents! I am so excited to be here in the beautiful country (God's Country) to minister and serve the community and youth of Liberty Center.

I wanted to share a little bit about myself just in case we haven't had the chance to meet yet. I am originally from Mt. Washington Kentucky (Bullitt County). Unfortunately, my parents both passed in 2017, but I still have a brother and sister who reside in Bullitt County. I attended Cumberland College (The University of the Cumberlands) for my undergraduate degree where I double majored in History and Communication Arts. I worked for several years in 4H/Youth Development for the University of Kentucky and have worked also in the public school system.

I attended Asbury Seminary in Wilmore, Kentucky for my MDiv. I have served for the last eight years in the Kentucky Annual Conference of the United Methodist Church until this past October when I disaffiliated myself.

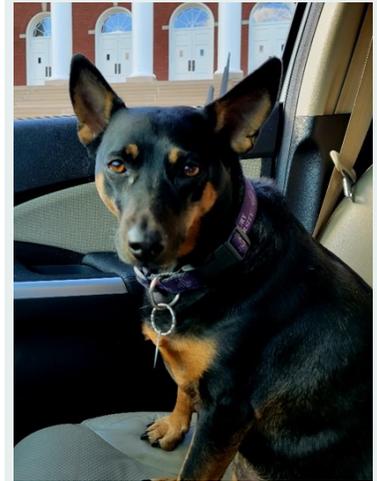

I have two daughters. My oldest, Anna Grace (Goose) lives in Louisville. My youngest, Ella Mae (Moses) just turned 18 in October and is a Freshman at Asbury University in Kentucky.

Ella and I have two ten-year-old cats (India and Rosie) and one four-year-old dog (Athena) that have moved with us. They are trained, well behaved and spoiled. Rosie, one of our cats, will be returning to Asbury University with Ella Mae after Christmas Break as a support animal. Ella has juvenile onset Tourettes but is very high-functioning and manages it well.

My interests include history, current events, travel, live music and gardening. During Covid I was able to put out a raised-bed garden and donated food from the garden to the community. I love joking around and believe that a good sense of humor makes life bearable. I have a mild affection for half-cut tea from McDonalds (Half sweet, Half unsweet) and that is my guilty pleasure of choice.

Please feel free to call me on my cell at 502-409-1482 or by email at mmlr22@gmail.com.

Blessings in Christ,
Pastor Mickey

Riddle:

A man and his son went hunting and the son got hurt. His father rushed him to the local emergency room at a local hospital. The emergency room doctor came out and examined the boy and cried, "I can't operate on this child, he's my son!"

How is that possible?

SENIOR HIGH MISSION TRIP UPDATE

Many of you have already registered and paid your deposit for the upcoming mission trips. If you have not paid your deposit and are still interested in attending, we have room available at this time. Please bring your deposit to church next Sunday.

We are planning a couple of fundraisers to off set the total cost of the trip. Our first fundraiser will be on Feb. 12th immediately following the second service. We will be serving lunch downstairs for a nominal donation. In addition, we will be handing out loose change collection boxes so that people can donate their spare change

We will be hosting an informational meeting in May for parents and chaperones. At that meeting we will give the itineraries, details about travel and updates on the mission itself.
