

Dear Chapelites,

New Youth Pastor - Missionary - Kairos

Last night at youth group, we announced that our new youth pastor is [drum roll, please] Kara Estelle. It was the shortest introduction ever, because we all know Kara—she is one of us.

Kara needs no introduction to you. She has been a life-long Chapelite. She has worked with the youth as a volunteer for several years. She has taught children's Sunday School for quite a while. She directed Vacation Bible School for a long stint. Kara has been on staff as our treasurer for as long as I've been here; she will continue in that roll. She served as our secretary for a while, too.

The Staff-Parish Relations Committee met with her Monday evening. They gave her a swift, unanimous approval. She will begin her new staff position with us October 4. When you see her, thank her for listening to God's call on her heart. Tell her that you're praying for her.

A Missionary

Tom Gerberich, missionary to Bowling Green with H2O, will be with us Sunday. In the worship services, he will share stories of his work and family life. He formerly served as our youth pastor. During Sunday School, he will meet for Q and A with adult and youth classes in the fellowship hall where the Crusaders meet. We will receive a special offering for him.

Kairos

I will be at Kairos at Allen-Oakwood Correctional Institute in Lima. Our experience begins this evening (Thursday) after supper and concludes Sunday afternoon. Joe Gillen, Jeffery Lloyd, and I will serve on the team. We will sleep at a church in Lima. Pray often for the participants this weekend.

Pray for one another. Pray for healing for those who are ill or hurting.

See you Sunday!
Pastor Brad
