

House Paint - Sunday Schedule - Healthful Choices

Last fall, we bought an old farmhouse around the corner from where we live now. In a couple of years, we plan to retire there. It's a good, solid house, and the Patton's created a lot of wonderful memories there.

It needs a little TLC. I thought the outside looked a little run down. In a lot of places the faded aluminum siding was more silver than white. Since it was too late in the year to paint, we had several months of road trips to look at houses and choose a color scheme.

This summer, the house received a red coat with white trim. We hope that people driving past will think it looks nice.

What passers by don't know is that the inside still needs some TLC. Our plans call for more than just a coat of paint. We want to put in a new kitchen, update the bathrooms, and move a couple walls. We dream of complete interior transformation.

This made me think:

There are homes, there are lives where Jesus is merely a veneer. He's like a coat of paint slapped on the outside. He's just a decoration or a necklace.

There are lives and homes where Jesus fills the inside. He brings love and joy, purpose and peace, and complete transformation.

My prayer for you is that you choose the second option.

Lord Jesus, fill each of our lives and homes with your love and your Holy Spirit.
Transform us toward Christian maturity. We pray in your name. Amen!

We also pray that this plague will end soon.

See you Sunday,
Pastor Brad

Sunday Schedule

Option 1: Drive-in/Outside Worship. (8:15 am)

Worship in your car or outside on a bag chair or blanket. Tune your FM radio to 90.5. Our broadcast range is limited, so you need to be on the church property to hear.

Option 2: Inside Worship. (10:30 am)

Please observe physically distant seating. Masks are required (with exceptions.) Parents with small children can stay with them in the family room and watch worship on the TV. While we have overflow options, they have not been used. . .yet. You can worship outside in your car–FM 90.5.

Option 3: Worship online Live or Later.

The service is live streamed at 10:30 am. Liberty Chapel's YouTube channel is <https://www.youtube.com/c/libertychapelnc>. You can watch the service on your computer or mobile device live. The service will remain on YouTube so you can watch it later. If the live stream does not work, the service will be uploaded soon after church, and you can watch later.

Sunday School (9:15 am)

Masks are required (with exceptions.) Children, sixth grade and younger, must be escorted to and picked up from their classes by a parent or the adult who brought them. Currently, there is no nursery, but if you need this service, please talk with Pastor Brad. The Explorers Class meets in Terry Hoffman's building.

Healthful Choices and Risk Mitigation

If you or someone in your household has a fever, or if you are not feeling well, please do not come to inside worship or Sunday School. Our ability to meet in person depends on our ability to trust one another. Choose the option that is best for you and your family, but continue to worship.

Morning devotions help me find time to slow things down and refocus. Even more I found I needed this during September. This week in my devotions I came across, “But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect.” —1 Peter 3:15. Revere Christ as Lord. What a thought! Our students have had a crazy 2020 but one thing I have noticed during the past few months

while getting to know each of them is how they revere Christ as their savior. In the midst of the storm these YF students can inspire and remind you of 1 Peter 3:15.

September seemed to be no different. On Wednesday nights I’ve seen students ask questions, listening to the lesson (☺Yes they listen), encourage one another, and pray for each other. Even during our September painting project at Wide Water Christ could be seen in these students.

LC students can inspire you to find new ways to revere Christ. They have for me and I know our church can see what all our youth leaders see. This generation of students is fearfully and wonderfully made 1 Peter 3:15 examples for us all.

Seasons Blessings,

Pastor Phil

“The Rock Ministry” Update:

Our “Rockin’ Snack Pack Ministry” is receiving good reviews. We consistently get good numbers and students are responding well to this creative outreach. What’s also really exciting is watching the volunteers that keep the Rock Ministry happening. Our volunteers light up seeing and talking with the students, while being socially distant. All of them are ready to get back to our normal routine. If you would like to donate healthy snack to the Rock please leave your donation at LC donation area. Thank you for your continued prayers and support.

In the Welcome Center we have our YF Pumpkin Patch!!! This is a fundraiser for our 2021 Summer Mission Trip. The pumpkins hanging have a dollar amount written on them. That is the amount requested to be donated for that envelop. You may donate the amount written or more.
