

Dear Chapelites,

Christmas Eve - Christmas is Sweet!

Christmas Eve is our most special celebration of the year! The church is filled with festive worshipers and favorite, joyous Christmas carols. The most special part of the service is when we sing “Silent Night” while the sanctuary is filled with candlelight. I am so looking forward to celebrating with you. The service will begin at 7:00. Bring your family and friends. Our Christmas offering will support LifeWise Academy in Liberty Center.

This has been a beautiful Advent/Christmas season. The decorations are beautiful! The Holiday Dinner was way fun! The Children’s Program was well done! The Cantata was excellent and joyous! Thank you to all who made this happen—those on stage and those behind the scenes.

Christmas is sweet! We are stirring up “A Recipe for a Merry Christmas”. So far, we have a cup of hope, a pound of love, a heaping tablespoon of joy, and a pinch of peace. We have another ingredient to add on Christmas Eve before we put it in the oven.

Our Christmas bonus is the delicious recipe collection available on the table by the office door. Baked Broccoli, Cheesecake Cookies, Crunchy Ice Cream Dessert, Deep Dish Almond Apple Pie, Fruit Coffee Cake, Ham Balls, Hershey’s Cocoa Fudge, Mom’s Cranberry Salad, Peanut Brittle, Pecan Pie Tarts, Pumpkin Cobbler, and Vanilla Pudding Cinnamon Rolls with Cream Cheese Frosting. Best of all, none of these contain fat or calories.

We will add a couple of Christmas Eve recipes, and then the Sunday after Christmas, we’ll have recipes for Christmas leftovers. Our main dish for all our services is the Bread of Life—the Word of God.

Pray for one another. Pray for healing for those who are ill or hurting. Pray for those who have recently lost loved ones.

See you Sunday!
Pastor Brad

p.s. Forgive me for hyperbole in the description of my favorite service. I will use the same hyperbole for Easter . . . and for other services, too.

Our internet at the church is not reliable. We will live stream the Christmas Eve Service and the Sunday 10:30 service. As soon as each service concludes, we will upload copy to You Tube. If the live stream is choppy, wait for the copy.
