

Dear Chapelites,

Dedication - Confirmation - Membership - Graduation - Outside Worship

This Sunday, we will celebrate significant events in the lives of ten persons and their families. One infant will be dedicated to the Lord, two students will confirm their faith in Jesus Christ, and seven adults will become members of Liberty Chapel. We will celebrate with them.

For the past several weeks during Sunday School, I have taught the confirmation class. They have been good students, but it is not possible to compress everything there is to know about God, Jesus, and the Christian faith into a ten-week class. It is good that their spiritual journeys are longer than ten weeks. Their spiritual journeys began when they were conceived and will continue beyond this life. Their challenge—our challenge is to continue learning the faith, growing in grace, and serving the Lord.

Each week, an adult helped teach the topic of the day. At the end of class, I asked them four questions about Jesus and their church family. The answers were all different and yet they were all the same. I was blessed and inspired by their responses. Last week, it was my turn to answer the four questions for our class.

Reflect on these four questions: Who is Jesus to you? How did he become real to you? How did you first come to Chapel? Why do you stay? Jesus has been gracious to all of us as we journey together.

Graduation

We will celebrate our graduates Sunday, May 29, during our worship services. Come to the service you prefer. Four will graduate from high school, and two have earned college degrees. If there is anyone else, please let me know as soon as possible.

First Service Outdoors

May 29, we will worship outside at 8:15. When our outdoor service ended last fall, we thought it would be fun to worship outside again sometime. You can sit in your car and listen to the radio, or you can bring a blanket or a chair and sit outside. You can also choose to sit inside. Invite your friends.

We voted this decision last week during our early service. This is for one week only. The 10:30 service will be inside.

Pray for Ukraine and for peace in the world. Pray for one another. Pray for healing for those who are ill or hurting.

See you Sunday!
Pastor Brad
