Blessed By Serving

So let me tell you, this place is amazing! I have been serving and doing the Lord's work at TGRM for the past two months. The people I have met and have been blessed to minister to are awesome! God is so good to have brought me to a place where the staff and the volunteers are truly being the hands and feet of Jesus while showing and sharing the love of the Lord.

Amidst sorting donations and being on the front line in the Mission Mall, I have been able to pray with and for others! Recently, I had the opportunity to meet George who comes by the Mission several days a week with his cane and a smile on his face. George is a man who has been serving the Lord for 94 years (longer than I have been alive). On one occasion, he and I were able to fellowship and pray together in Jesus' name! Since that day, I have not seen George come in with his cane, but I can say that I am now blessed to have him as my brother and friend in Christ!

I encourage anyone who is feeling weary and in need of having their spiritual cup replenished, to prayerfully consider coming down to Toledo Gospel to watch and see that the Lord is good! I am only two months in and I have been blessed more than I could have imagined! "The harvest is ripe and the workers are few" Matthew 9:37 ~ *In Christ Always, Denny*

Blessed To Be Called

Being called to Serve can sometimes seem like a call for others and not for ourselves. Our lives are busy, our schedules full. To add one more thing to our already overflowing plates is just not possible. The thought of finding time to make a meal, do landscaping, be at the nearest outreach, talk with the lost, sit with the broken, minister to children, sort the donations, and the list goes on, can be perceived as too overwhelming. We feel defeated before we even start. BUT GOD...

Jesus says that whatever we do for the least of our brothers or sisters, we do for Him. All of us are called to be servants of Christ. When we make the choice to walk in service to our community and to the world around us, God will make a way! God will miraculously provide the time and resources we didn't think we had. A simple meal, a simple conversation, a simple smile with a word of encouragement, simply mowing a lawn, one simple hour to sort donations becomes an easy burden. It is often in the simple that the impact is most profound! May you be blessed as you continue or begin to Serve. ~*Jamie*

"When you are generous to the poor, you are enriched with blessings in return" Proverbs 22:9

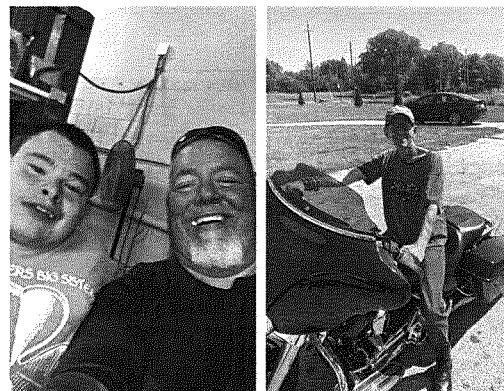

Blessed By the "Angels"

What a blessing our "Angels" are here at TGRM. The Angels, as we lovingly refer to them, are a group of folks who have been serving five days a week at TGRM for 7 years! The Angels are from an organization known as ACTS which stands for "All Can Truly Serve." The Angels are a special group of people that were sent directly from the Lord to serve at Toledo Gospel Rescue Mission.

The Angels are faithful workers that do everything from unloading donations, sorting items, assisting in merchandising the Mission Mall, to bringing laughter and smiles to the Donation Warehouse. The Angels keep very busy doing God's work and we are beyond blessed to have them. I don't know if this group of faithful servants can fathom the massive impact they are having on God's Kingdom, but one day when His glory is revealed to all, they will surely know.

So in honor of the Angels and the organization of ACTS that works diligently in our community to give purpose to this selected group of God's children, Toledo Gospel Rescue Mission wants to highlight them for the blessing and honor they bring to you and to us! They are living out what Jesus called us all to do and showing that "All Can Truly Serve!"
