

Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths. Proverbs 3:5-6 (NKJV)

To Everything There is a Season

Since the beginning of the pandemic, our WGM Texas Mexico Border Ministries team has united all the more earnestly in prayer, and the Lord has responded! He has presented us with new opportunities and has also continued to move through 'tried and true' outreaches. At the same time, He has gently led our team to let this school year at Taylor Christian School be its last.

We are still fully convinced of the importance of education in a Christian setting with a thoroughly Biblical foundation. Yet, the Lord has united us with His assurance that it is time for us to let go of TCS, embrace opportunities for community outreach in cooperation with local churches, and be available to partner with others whom He has called to serve in Christian education.

God gave us a special year of learning and growing together at TCS!

The on-going ministries of our field will be based in the newly renovated Taylor Community Center and the adjacent TCS campus. We move forward with gratitude for what God has already done and confidence that He is still at work in us and in this place!

Our Team is Excited

- ❖ To provide low-cost immigration legal services once we receive the final approval from the Department of Justice to open **"Immigrant Connection in the Valley"**.
- ❖ To share our space with a McAllen **Classical Conversations** Homeschool Community.
- ❖ To continue serving our community through the **Sparrow's Nest** Clothing Ministry, **Gospel Martial Arts** training, **Soccer Lions Academy**, and summer **Adult ESL Classes**.
- ❖ To see more fruit from the **Kingdom Builders Prayer Times** with local pastors as we work together with their churches to sponsor/promote bi-monthly **Community Youth Nights**, a **Men's Conference** in June, and a **Women's Conference & Children's Day** in July.
- ❖ Thanks to the generous support of so many, our gym is now **air-conditioned!** We praise God for His provision and trust Him for the final \$60,000 needed to complete the community center renovations. **Thank you to all who have given!** Those still wanting to contribute are welcome to do so by mail or at www.wgm.org/project/taylortransformation

Answers to Prayer!

Making Life Disciples

The Lord allowed us to facilitate Care Net's "Making Life Disciples" course for fifteen people this spring! As we learned about sharing hope, help, and on-going discipleship with those making pregnancy decisions, we prayed that God would help us connect with local pregnancy centers.

Much to our surprise, the Lord provided a donation of numerous pallets of new merchandise, including maternity and baby clothes!

What a joy for our team to share these items with over a dozen other ministries, including two pregnancy resource centers in McAllen! Two of their employees are now taking the "Making Life Disciples" course with us!

Youth in Locomotion

The Lord met with us in a powerful way as over 70 youth from nine churches came together on April 30 for a night of worship and fellowship at Taylor Community Center! As we continue to host these gatherings, we pray that teens will come to Christ and be strengthened in their faith.

Family Joys!

We are so thankful for the Lord's presence and guidance in the lives of our children!

Lucas has graduated from LeTourneau University and is spending a few weeks in Bolivia before moving to Seattle to put his engineering degree to work.

As you might guess from Lucas' stole and Josh's flag, Bolivia is still their beloved 'patria'!

Thank you for your prayers for our family and those we work with here!
These troubled times remind us how desperately people need to know the Savior who loves them and has the power to redeem and transform their lives.
May God help us all to keep our hope fully in Him and be His faithful witnesses.

Thank you for helping us touch lives for Jesus!
