FEAR----FALSE EVIDENCE

APPEARING REAL.

FALL 2022

Dear Friend,

For your encouragement, I would like to print the words of an old hymn that I grew up with, which tells us how great and faithful our God is to all of us.

"God is still on the Throne, He never forsaketh His own; Tho' trials oppress us and burdens distress us, He never will leave us alone.

God is still on the Throne, He never forsaketh His own; His promise is true, He will not forget you. God is still on the Throne."

An old-time radio preacher used to open his programs with: GOD IS STILL ON THE THRONE OF GLORY, AND PRAYER CHANGES THINGS.

Since we all have passed through trials of friends and relatives suffering the effects of the virus the last 2 years, and many have had to obey government mandates to wear masks and take tests to prove we did not have the virus, we can rejoice that God is still on the Throne of Glory and He has been so good to watch over us and protect us every day and night. Praise His Holy Name Forever!!

We may not have sent out a newsletter every month, but we have kept in contact each time a friend sent an offering, and we told about the continuation of each of our ministries. Even with the wearing of masks, we have been able to pass literature to individuals in various places, with some thanking us sincerely and saying "God bless You!" One man took a booklet, went to sit down at Arby's with his wife, then brought us a $5 bill in gratitude, which we sent to the company to print more booklets.

IMPOSSIBLE TO STOP!!

One thing about our radio ministry, regardless of the virus, it is impossible to stop the Word of God over the airwaves. We just keep going and going with this radio ministry as long as the Lord provides and keeps us going with strength. We do want to share the fact that because of each faithful supporter, we were able to take on another station near Chattanooga, Tennessee. For several years, I had their calling card in my desk drawer, with two of the worker's names printed at the bottom, so I wrote for a price and got a nice phone call from Marge Fryer, of the Management Team. The cost is a nominal $45 for each program, and I felt it was the Lord's time for that station and area.

The station call letters are WJOC-1490 AM, on 24 hours, and is located at 805 Chickamauga Ave., Rossville, GA. 30741. Our first broadcast commenced on Sunday, September 4th with time details to be announced. Please pray for many people to listen and accept Jesus as their personal Saviour.

Again, we are very grateful for each friend who has been standing by us with their prayers and gifts to help us continue in our important ministry of spreading the Gospel message, whether over AM, FM, shortwave, streaming, or Internet. Most AM/FM stations are simulcast over the internet for the same cost, and that is a great blessing for the Gospel message.

YES, IT IS TRUE!!

Our grandson Noah Seth has a T-Shirt that his mother made, with the words, "NORMAL IS NOT COMING BACK, JESUS IS." He has had several people make remarks how much they liked it and agreed with it.

Also, thank you for your prayers for Carol. She put out a "fleece" the other day, about taking more CHEMO, and at the "last hour", she got a call from the Houston Hospital, scheduling her operation for

Oct. 8th, meaning no more chemo., before then. The Doctor is going to do the procedure on a Sat., which he never does ordinarily. She possibly may have to stay there for several days afterwards, with Steve by her side. Noah and Selah are to be home, with us being available, and other Christian friends also available by phone. They may also stay with us here if they wish. We know it's been trying for them, but we have taught them to trust in the Lord with all their heart, which they do.

We continue to praise the Lord, and are very thankful that last month the Lord protected our son-in-law Steve, as he was driving Noah, our grandson, to a church youth meeting about 20 or so miles toward Bayview. A large deer-like animal ran into the side of the car, smashing the left front fender and door. Steve saw it coming and swerved, avoiding a head on accident. They were protected from all injuries. Praise the Lord forever!!

The animal, which to me is ugly, is called a NILGAI, and in the beginning was imported from INDIA in 1935, by the owners of the King's Ranch, south of Corpus Christi, and have migrated this far south. About 3½ weeks later after Steve's accident, the husband of a friend of Carol's, hit another Nilgai, doing much damage also. Our handyman, Milton who repairs things we cannot repair any more around the property, said that he has hunted some, and that the meat was better tasting than a white tail deer, and that he had some in his freezer. Anyway, we give all the praise and glory to God for His loving protection to Steve and Noah.

CONTINUE TO TAKE CAUTION!!

On page one, I made a remark about people having to take tests to prove they did not have the Covid-19 virus. It was meant partly as a mockery to those in government who disagreed with each other greatly and couldn't make up their minds what to do. To me it is a preview of the coming times of the Mark of the Beast, which seems to be the insertion of a tiny computer chip into the loose skin between the right thumb and forefinger. (Revelation 13:16-18). We have seen how our government has worked to control its citizens with all kinds of lies and excuses flying over the land. Many of those who mandated that we use masks, got the Covid-19 anyway, and didn't say much about it afterwards. We need to pray much and stay close to God and keep in fellowship with other true believers along with reading true versions of the Bible, and trusting only in the Lord God Almighty, no matter what it looks like in the world. It's getting very dangerous all around!!

Certain leaders have been using "global warming" as an excuse to promote their evil ideas to get us under their rule, when they know those ideas will not be sufficient for our country. We have many windmills for electricity, north of us, and many are standing still. We have heard of solar panels exploding, and in France there are many electric cars with batteries that do not work, with a cost of up to $10,000 to replace, so the cars just sit. All of this proves that we are living in the very last days of time as the Bible has predicted.

Do you remember a certain "preacher-scholar" who had "studied" the scriptures for several years, and came to the belief that Jesus was to return on one of three days in September of that year? He was so sure that he advertised it greatly and was getting people to donate to his organization. I did not believe it for one moment as Jesus said in Matthew 24:36, "But of that day and hour, knoweth no man, no, not the angels of heaven, but my Father only." Other verses in that chapter and chapter 25 also refer to the fact that NO ONE HAS ANY IDEA WHEN He will come for His own. When Jesus did not show up on those days in September, the preacher had to apologize to his followers that he was wrong.

A couple of months before that September, we were in a Christian place where someone had placed some of that man's literature and a box for donations for his "ministry". I did not take any pamphlets, but I almost wrote a note stating that I did not believe in his prediction in any way because of what Jesus said that "no man knows the day or the hour---", adding that I would not take a pamphlet or leave any money, "because if Jesus came, you would not need the money in heaven, and when Jesus didn't show up, you would be branded a false prophet, and a donation would be completely in vain". I was tempted to leave a note, but didn't!! It's been over 20 years since.

PRAISE GOD PRAYER IS ANSWERED!!

At the time that I am typing the end of this letter, it is 8:15, October 8th, and we heard of the results of our daughter Carol's tumor in her colon surgery. Steve called Noah and Noah called us with the "good news" that her procedure was a success with no difficulty or extra removal of body parts. At first it seemed very complicated, but we had many people praying, and prayer was answered wonderfully. She is to remain in the hospital until Tuesday when Steve will bring her back for a reunion with the family. Thank you for your prayers and faithful support, and God bles you!! In the wonderful love of Jesus, Paul Paul and Helen
